2. INTELLECTUAL AND INDUSTRIAL PROPERTY RIGHTS

The website, including but not limited to its programming, editing, compilation and other elements necessary for its operation (the designs, logos, text and/or graphics) are the property of the PROPRIETOR or, if applicable, available to be licensed or used upon express authorization by the authors. All the contents of the website are duly protected by intellectual and industrial property regulations, as well as registered in the corresponding public registries.

The CONTROLLER acknowledges the corresponding intellectual and industrial property rights in favor of their owners, their mere mention or appearance on the website not implying the existence of any rights or responsibility over them, nor does it imply endorsement, sponsorship or recommendation by the CONTROLLER. same. To make any type of observation regarding possible breaches of intellectual or industrial property rights, as well as any of the contents of the website, you can do so through the email legal@e2e.es.

3. DISCLAIMER OF LIABILITIES

The PROPRIETOR is exempt from any type of responsibility derived from the information published on its website in cases where this information has been manipulated or introduced by a third party.

Use of Cookies

This website may use technical cookies (small information files that the server sends to the computer of the party accessing the page) to carry out certain functions that are considered essential for the proper functioning and display of the site. The cookies used are temporary, with the sole purpose of making browsing more efficient, and they disappear at the end of the user's session. In no case do these cookies provide personal data by themselves and they will not be used to collect such data.

Through the use of cookies, it is also possible for the web server to recognize the browser used by the user in order to make browsing easier; allowing, for example, access by users who have previously registered to the sections, services, promotions or contests reserved exclusively for them without having to register each time they visit. They can also be used to measure the audience, traffic parameters, progress, number of entries, etc. In these cases cookies are technically non-essential but beneficial to the user. This website will not install non-essential cookies without the prior consent of the user.

The user has the possibility of configuring their browser to be alerted at the presence of cookies and to prevent their installation on their equipment. Please, consult the instructions of your browser to explore this information.

Links policy

From the website, you may be redirected to content from third-party websites. Since the PROPRIETOR cannot always control the contents entered by third parties on their respective websites, they do not assume any type of responsibility with respect to said content. Any content that could contravene national or international legislation, morality or public order, would be removed, followed by the immediate withdrawal of the redirection to said website. The authorities would be informed about the content in question.

The PROPRIETOR is not responsible for the information and content stored by other parties on the PROPRIETOR's channels, for example but not limited to; forums, chats, blog generators, comments, social networks or any other channels that allow third parties to publish content independently. However, in compliance with the provisions of articles 11 and 16 of the LSSICE, all users have at their disposition authorities and security forces who are actively collaborating in the withdrawal or, where appropriate, blocking of all content that may affect or contravene national or international legislation, third party rights, morality and public order. In the event that the user considers that there is any content on the website that could be susceptible to this classification, please notify the website administrator immediately.

This website has been reviewed and tested to function properly. In principle, efficient operation can be guaranteed 365 days a year, 24 hours a day. However, the PROPRIETOR does not rule out the possibility that certain programming errors, acts of God, natural disasters, strikes or similar circumstances may occur that make access to the website impossible.

IP addresses

The website servers may automatically detect the IP address and domain name utilized by the user. An IP address is a number automatically assigned to a computer when it connects to the Internet. All this information is recorded in a duly registered server file that allows the subsequent processing of data in order to obtain only statistical measurements that allow statistics such as the number of page impressions, the number of visits made to the web servers, the order of visits, the point of access, etc. to be recorded.

4. APPLICABLE LAW AND JURISDICTION

For the resolution of all disputes or issues related to this website or the activities carried herein, Spanish legislation will apply, to which the parties would comply, with the Courts and Tribunals closest to Florida appointed to resolve all disputes.
